EXPERIENCE

Kitchen Helper At Mandalay City Hotel (2009- 2010)

I've experience from 2009 to 2010! Kitchen helper roles often involve tasks such as food preparation, dishwashing, and general kitchen maintenance and cleaning. Preparing buffets typically involves a range of tasks such as food selection, cooking, plating, and presentation.

Mobile Phone Software Team Leader At Super Mobile Co.ltd (2011-2015)

Error repair of mobile phone software involves diagnosing and fixing issues that arise within the software of a mobile device. This could include troubleshooting problems such as software crashes, application errors, operating system glitches, or issues with firmware updates. Repairing mobile phone software errors often requires technical expertise, knowledge of mobile operating systems (such as Android or iOS), and familiarity with software debugging tools.

Mobile Phone Instructor At MMAS Mobile Training Center (2015-2016)

Being an instructor at MMAS mobile training from 2015 to 2016 suggests that you have experience teaching or training others in mobile technology, which could include areas like app development, device management, or mobile security. This experience likely involved sharing knowledge, facilitating learning, and providing guidance to students or professionals in the field.
